Jim  
your a real track  
star, and I hope you better  
next year.  
It's been fun having you  
in biology and I hope  
you in some of my  
classes next year. But  
of luck in the future  
Ed

Dear John, I'm glad.  
Thanks for letting me get  
the number off my locker.  
I'll do it and for you soon!  
I'm sorry, but don't get  
for sorry. My other

Hi James,  
Well, it looks  
I'm the 1st girl to  
write in the front of  
your book. That'll make  
it look real pretty.  
You're a real sharp  
guy I hope you stay  
that way always.  
I hope we have  
some classes together  
next year. Have fun  
this summer with  
GOOD!  
as always,  
a friend,  
and see  
easter

Jim  
To a real swell  
a guy. I hope we have  
a few class' together. I  
have had a lot of fun  
getting to know you this year.  
I wish you the best of luck in  
school and track.

Jim  
Best of luck for the  
future and in every-

"Knowledge is the Pathway to Success"

## ADMINISTRATION

**Seated:** Mrs. Nelda Radak, clerk; Mr. William Masten, chairman; **Standing:** Mr. Ed Martilla, Dr. Norman Norquist, Mr. Elmer E. Settergren, Mr. Harvey Snyder, Mr. Harry Thompson, superintendent; Mr. A. W. Gustafson.

**MR. HARRY THOMPSON**  
Superintendent  
Gresham Union High School District

## SCHOOL BOARD AND SUPERINTENDENT

### SCHOOL BOARD

The responsibility of running the combined Gresham and Centennial High School districts falls to the school board, which consists of six members an attorney, and a clerk. They meet at least once a month to examine and decide on financial changes and determine major policies for the schools

One member is elected each year to the rotating school board. All are community-minded citizens who have volunteered their time and service.

The Burgess family, Mr. and Mrs Burgess, Larry, Steve, Phil and Sally.

## PRINCIPAL

Mr. Burgess, our principal, is a firm believer in the theme of our senior class: "Knowledge is the pathway to success." He has helped us tremendously by keeping high academic standards.

MR. WILFRED BURGESS  
Principal  
Centennial Union High School

## DEAN OF GIRLS

Mrs. Bumala, who counsels with many girls, helps them to find decisions which will aid them in building a stronger character foundation for the future. She is never too busy to lend an understanding ear or to give guidance to the many girls of Centennial.

MRS DOROTHY BUMALA  
Dean of Girls  
B.A. and M.A. University of Oregon

Mrs. Bamala is always willing to lend a helping hand.

## DEAN OF BOYS

In a school of 1500 students the problems are like those of any other small community. To be able to cope with these constant problems takes an individual with great understanding. Mr. Thede, the Dean of Boys at Centennial, is one of these rare administrators. His patience and understanding is an inspiration to all those who he comes in contact with.

MR. ALLAN THEDE  
Dean of Boys  
B. S. Northern State Teacher's  
M. Ed. University of Oregon

No problem is too small to be overlooked by Mr. Thede

## ACADEMICS

## PHYSICS

Interference is explained to an attentive physics class by Mr. Vierla.

## CHEMISTRY

Essential features of the chemistry course are the lab activities.

## SCIENCE

For those students whose pathways led to the study of science, Centennial offers a fine program for upper classmen. Among the courses offered are chemistry, and PSSC physics which give the students an excellent and challenging background. This year a new course has been added to the science department radio electronics. The first part of the year is spent in studying theory and the last semester, the students actually construct their own radio.

### RADIO - ELECTRONICS

These busy students are in the process of constructing their own radio.

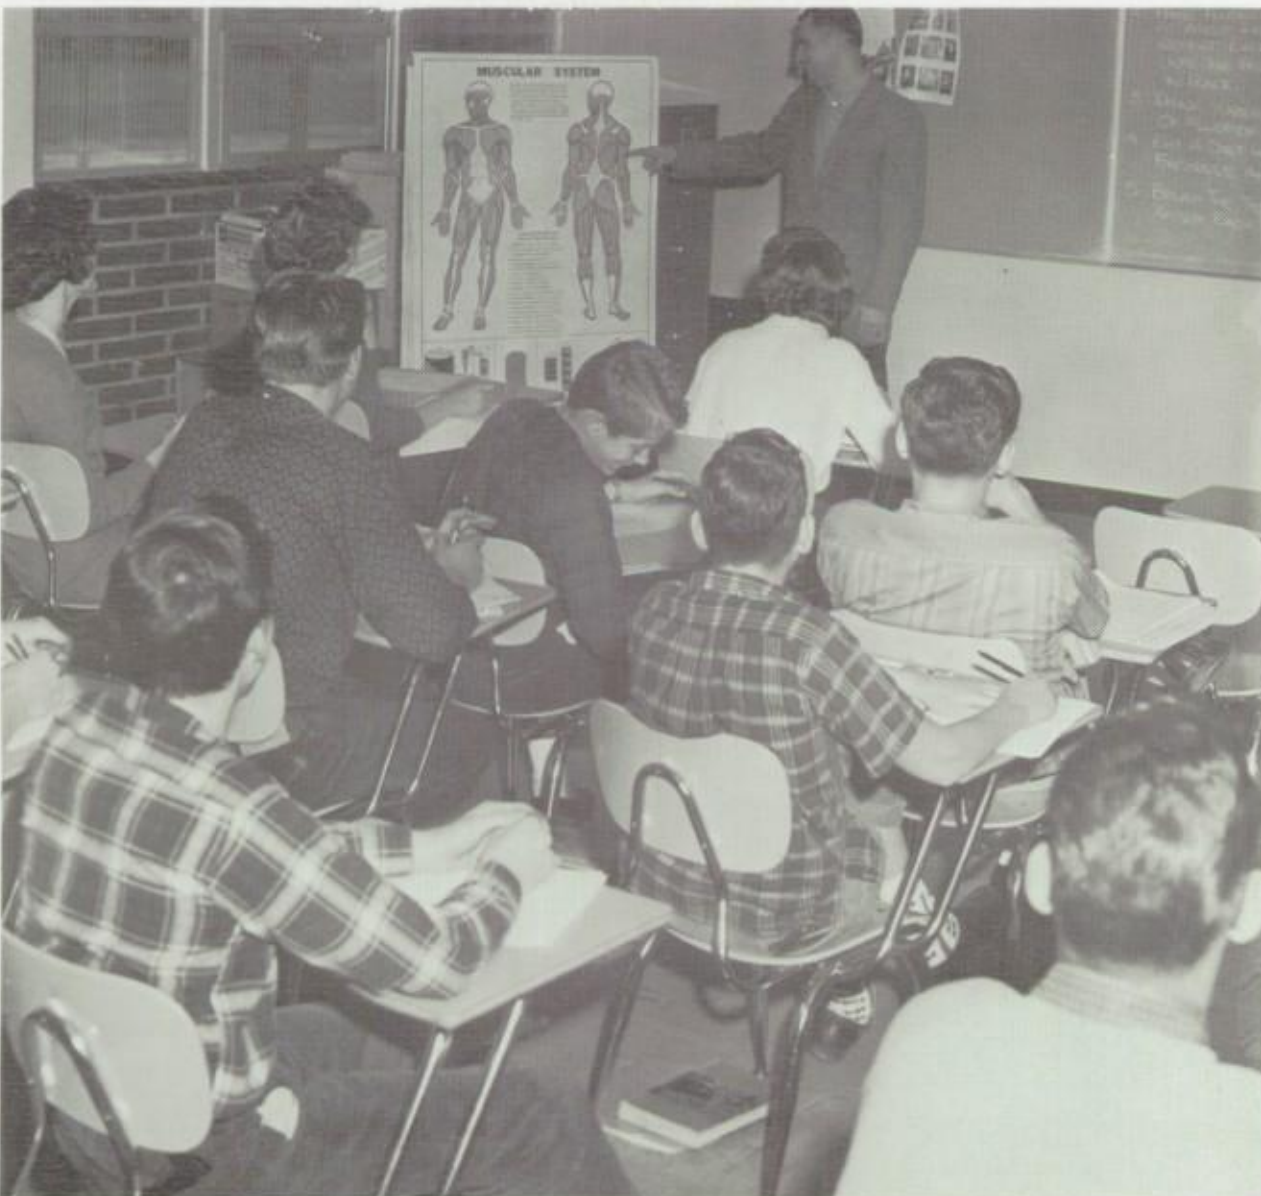

## GENERAL SCIENCE

Jim Moffet reviews the class on a past experiment.

## HEALTH

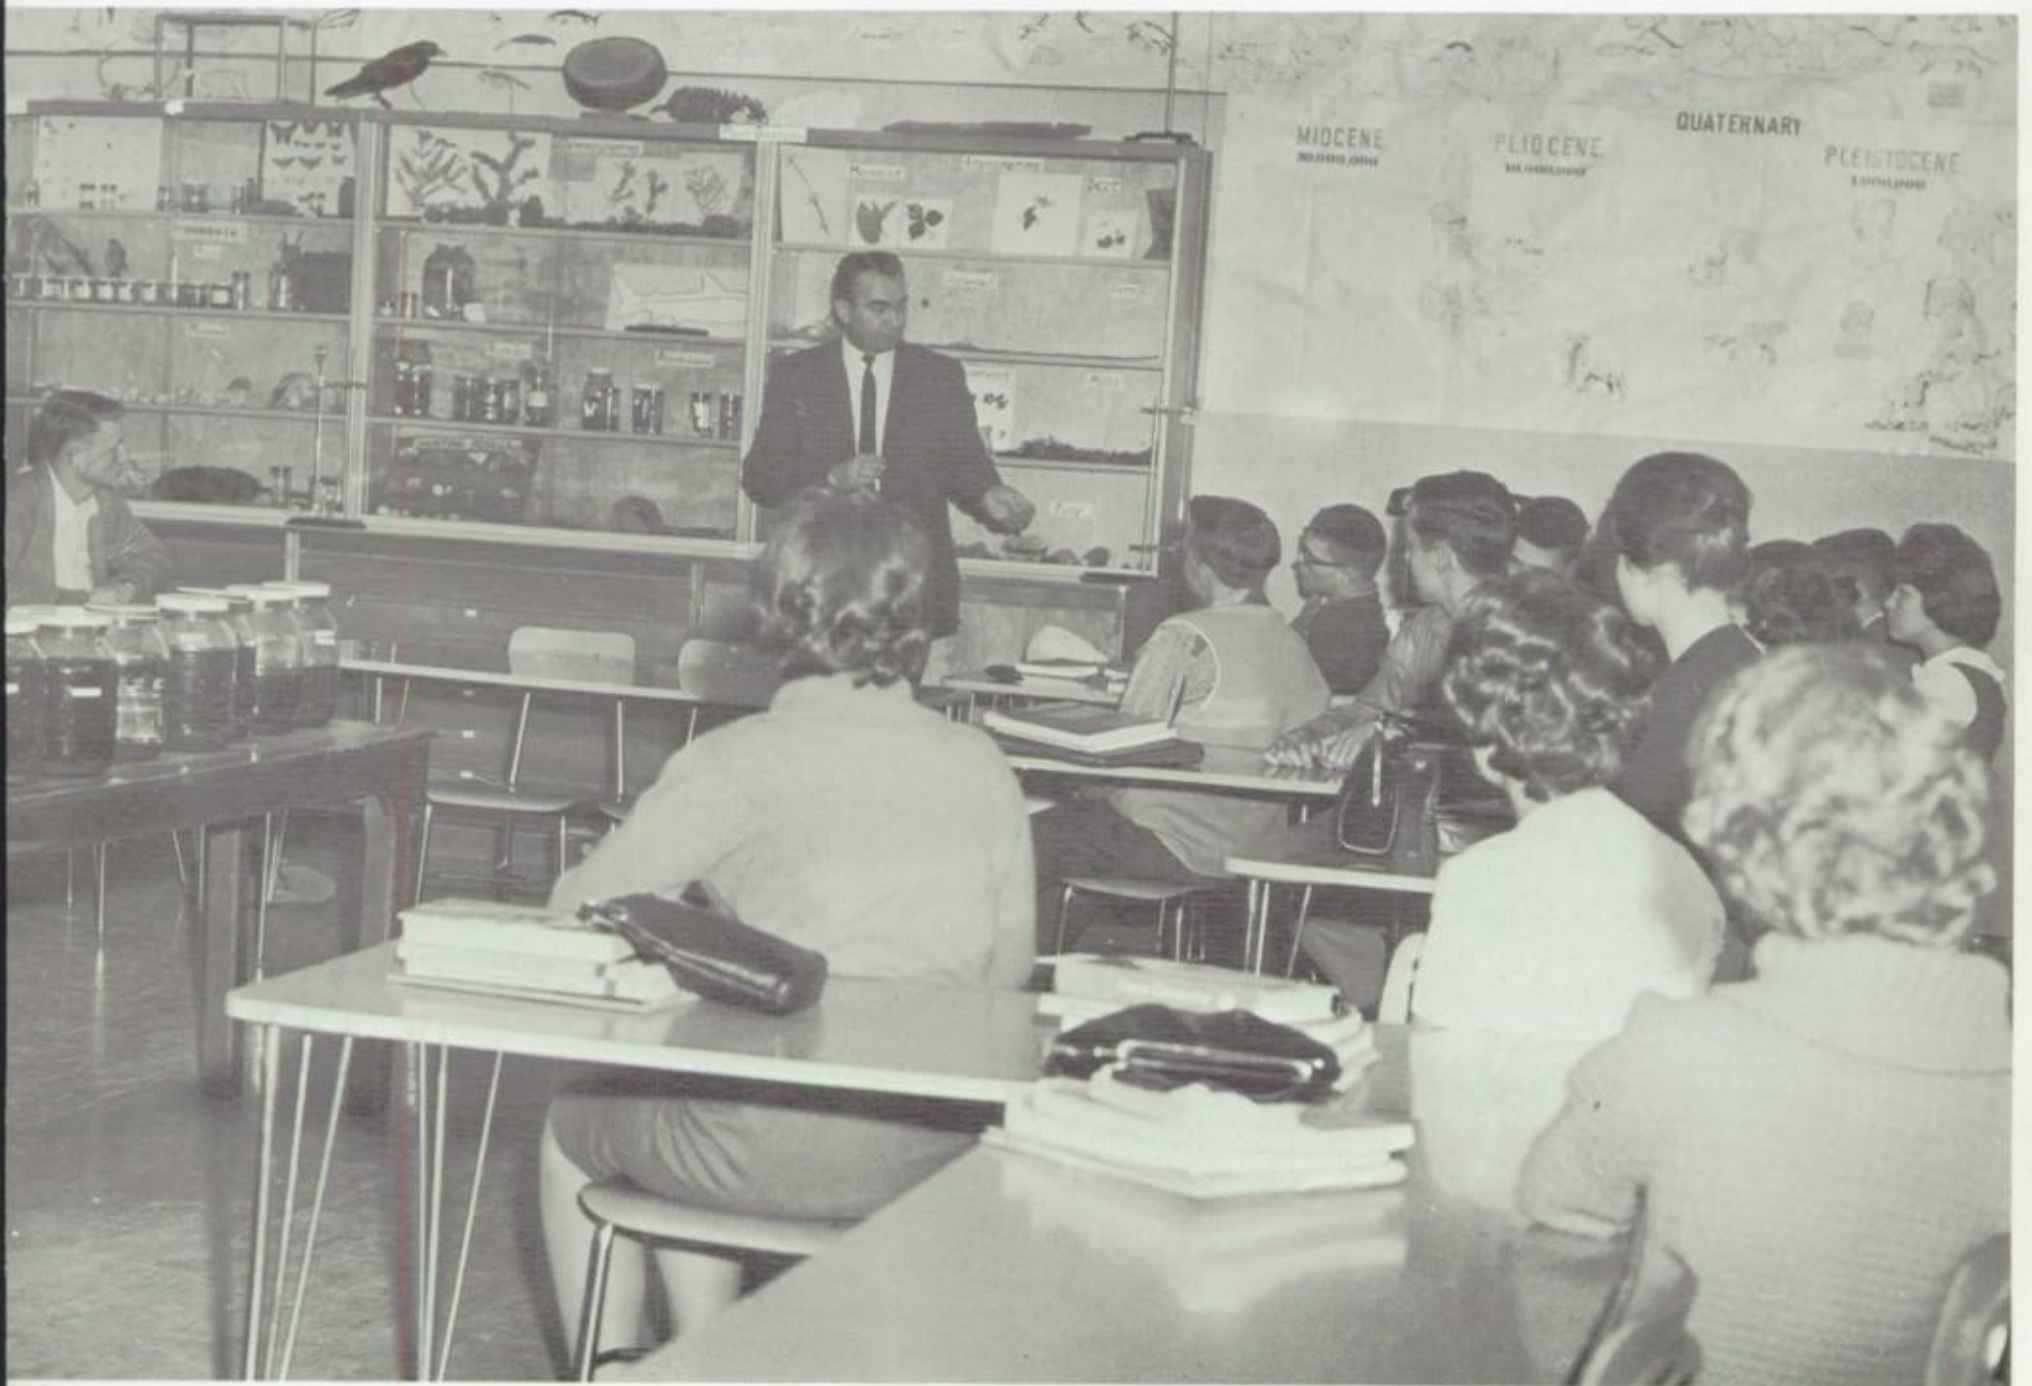

"And that's the muscular system," says Mr. Schlaadt.

# SCIENCE

The pathway to the field of science is opened for the Freshmen with general science. This year those students taking biology encountered a very new and stimulating course which is still in the experimental stages. As part of the required curricula at Centennial all sophomores take a semester of health.

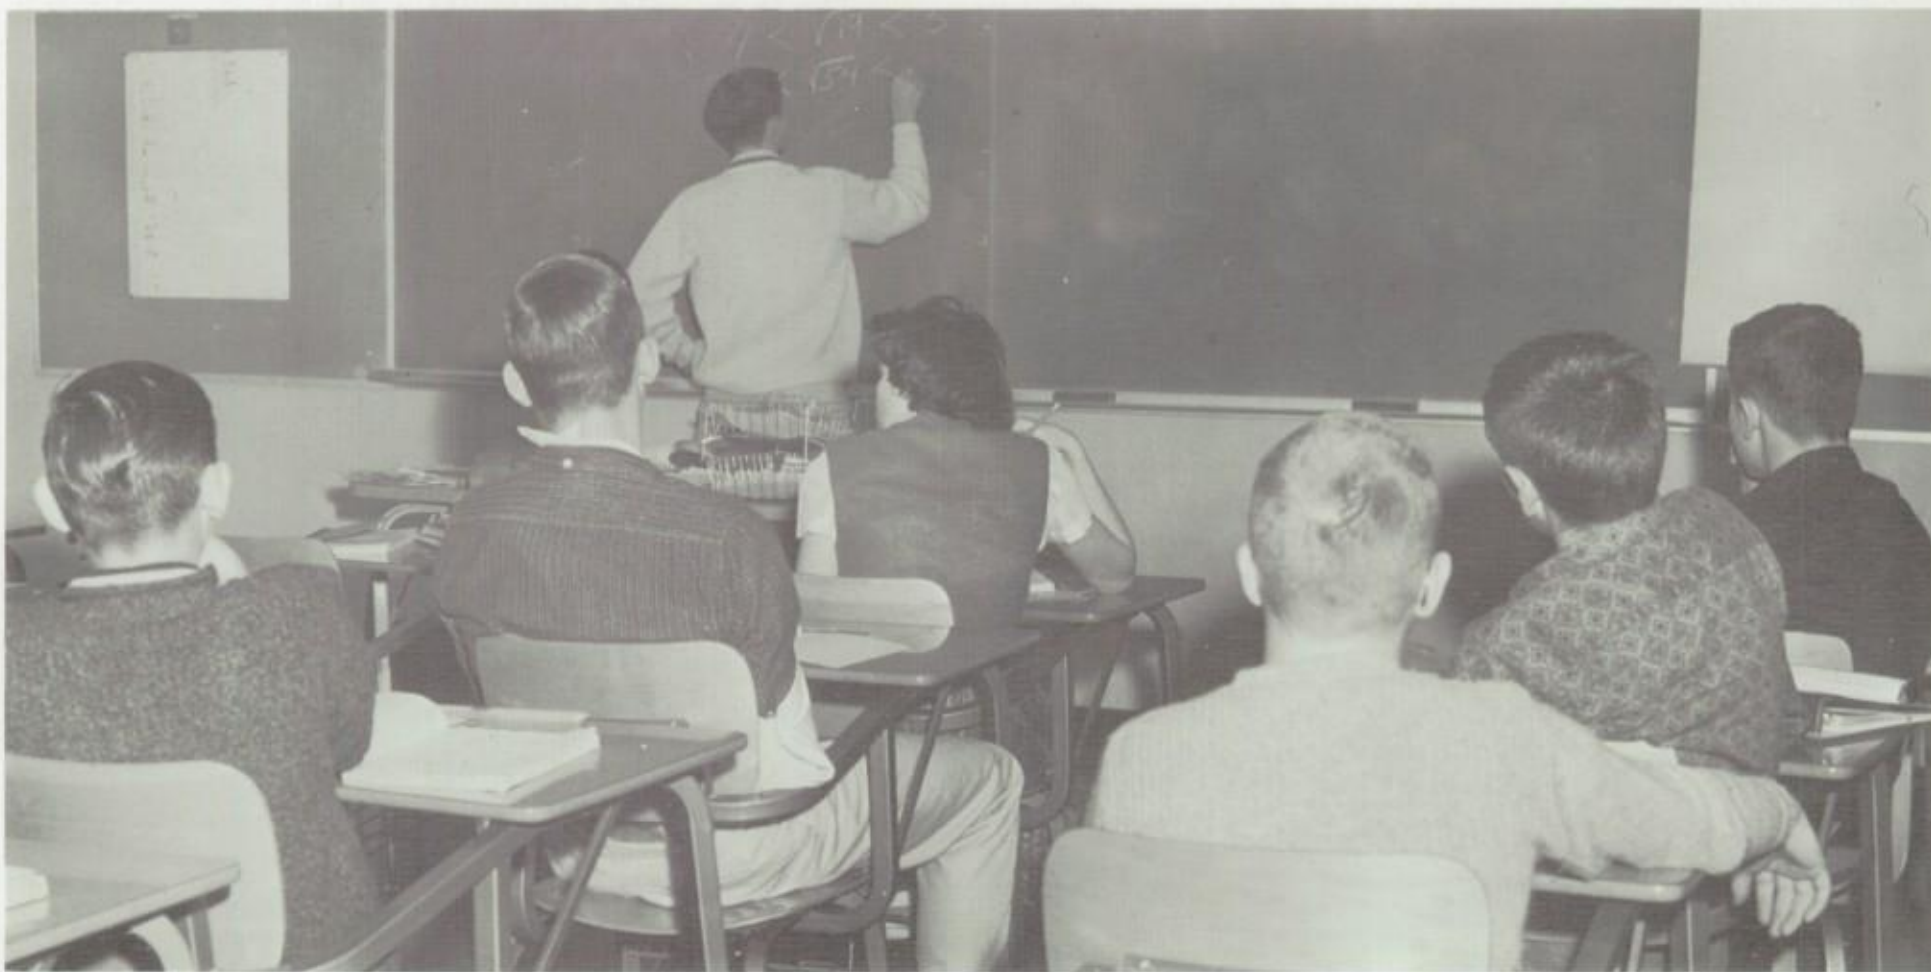

## BIOLOGY

A guest lecturer holds the attention of these biology students.

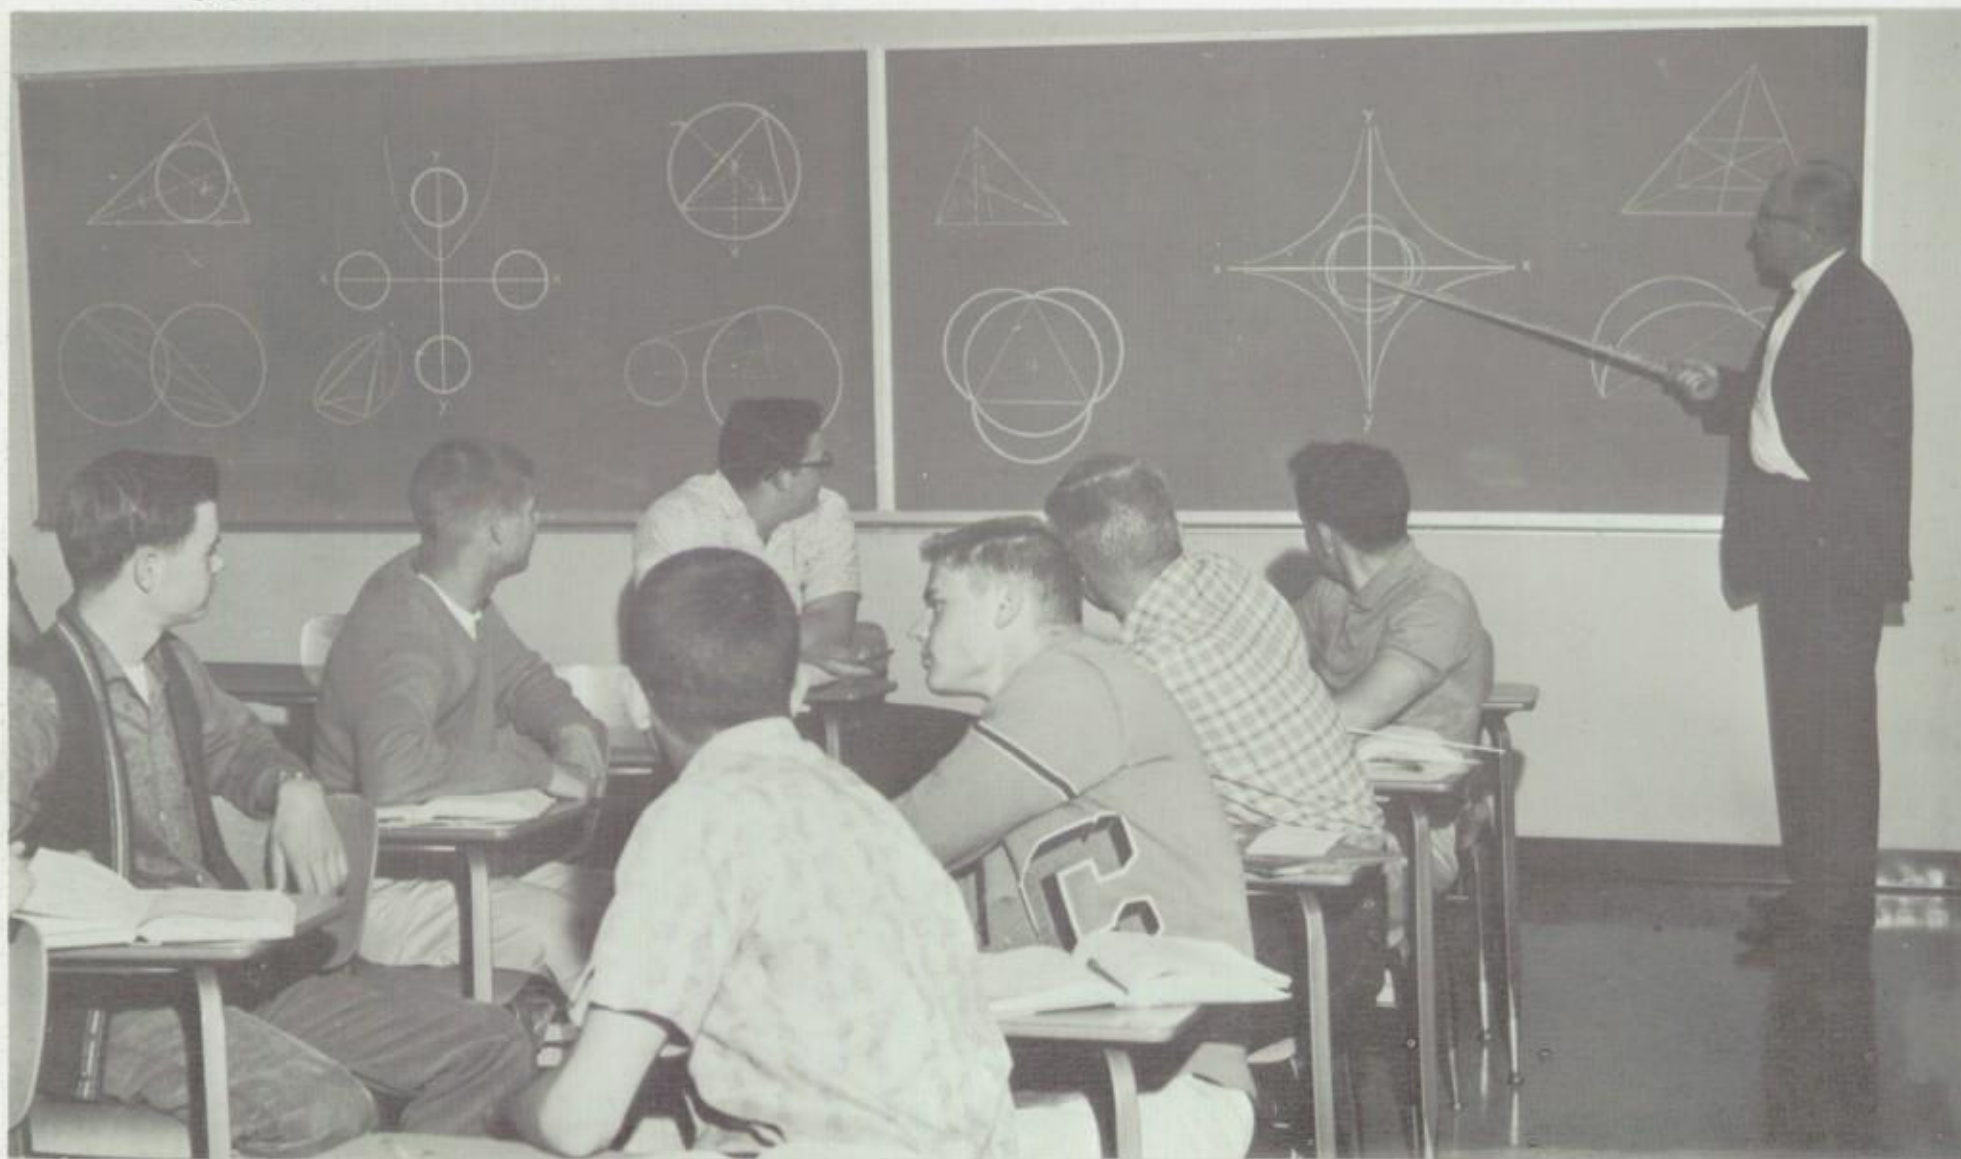

# MATHEMATICS

SMSG, a new freshman algebra class, uses new and more advanced methods of teaching.

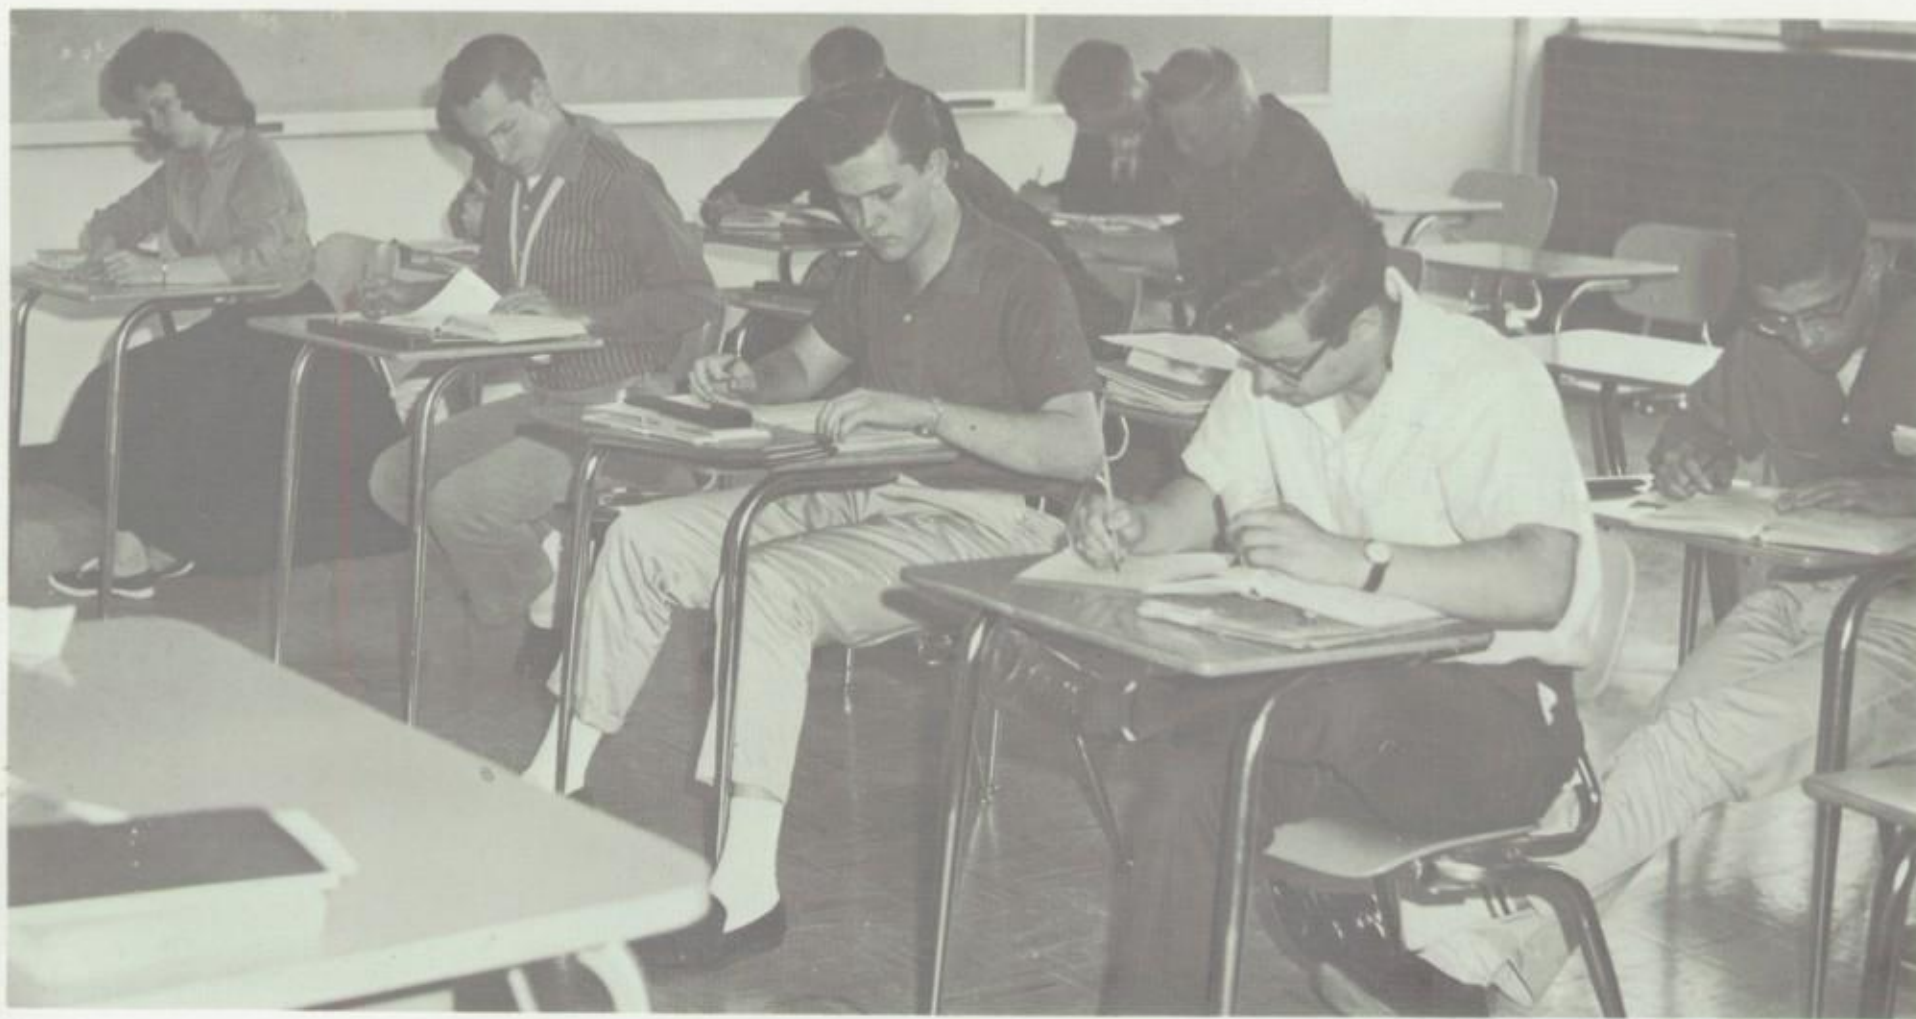

The pathway for those students interested in mathematics began with algebra or general math the Freshman year. This year the mathematics department has offered SMSG algebra. If the student then chooses to follow this path further, he takes

geometry, then algebra-trigonometry and then college prep math his last year for which advance placement is given in many colleges if a high enough score is received in entrance tests.

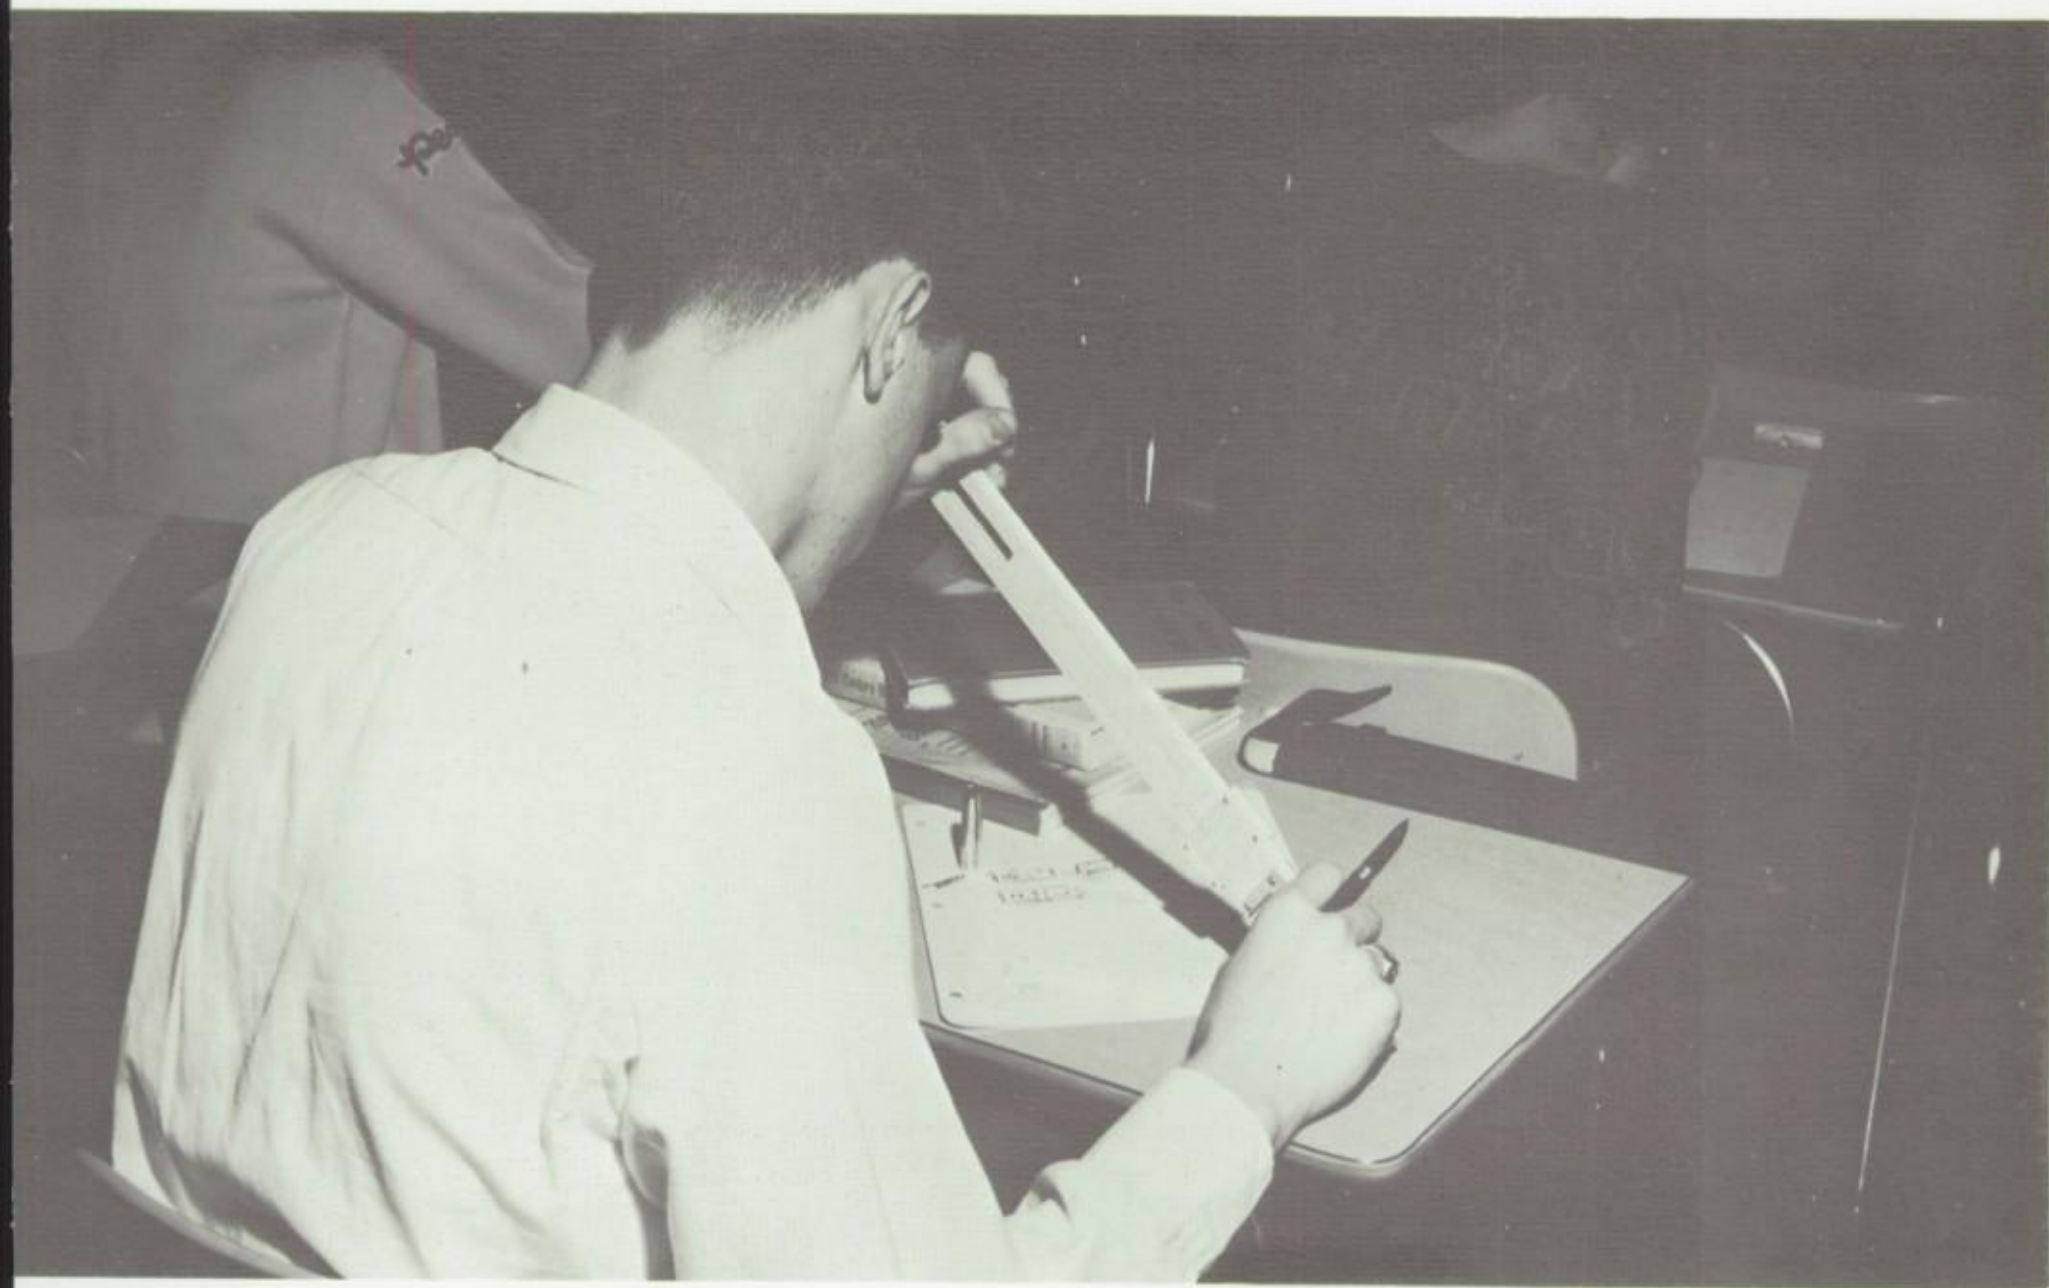

Mr. Curtis explains the rudiments of Geometry to his 7th period class.

Calculus, or senior math is a college preparatory course in advanced mathamatics.

Slide rules and their use are explained to those taking trigonometry.

# LANGUAGE ARTS

## LATIN

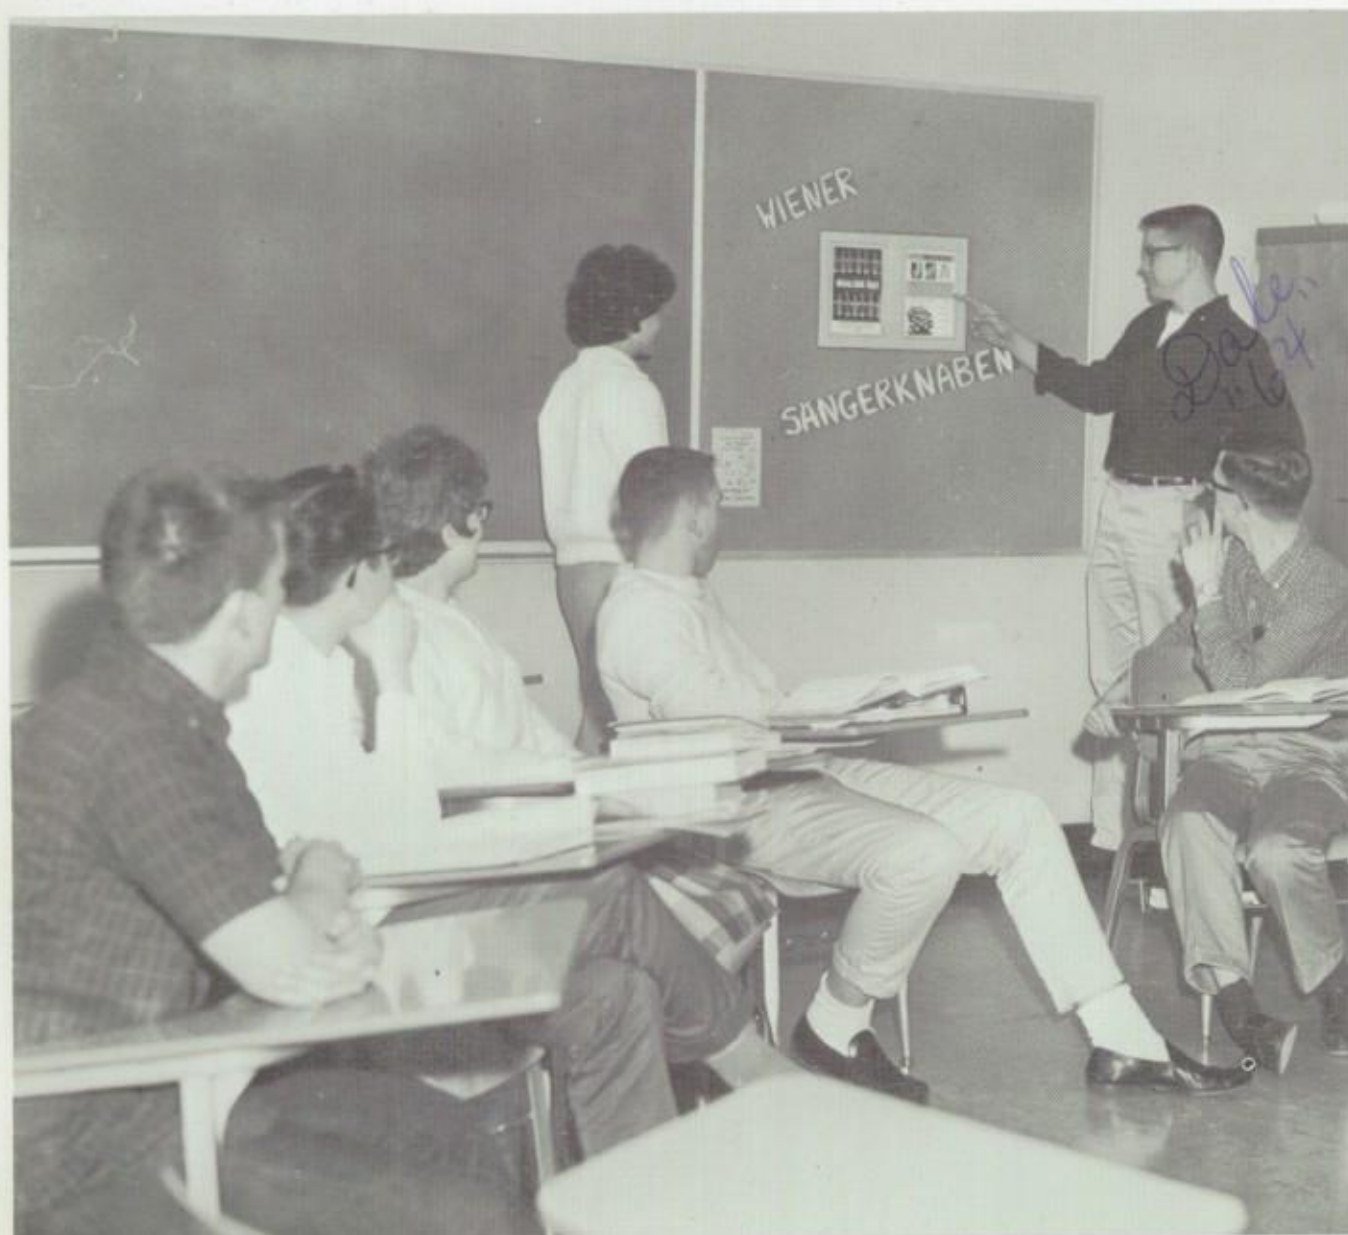

The latin students are enlightened by Mrs. Fogdall's explanation of the early Roman civilization.

"Savez-vous de mont St. Michel, Mes Amis?"

## GERMAN

"Sehr Gut," says Miss Follette from the back of the room.

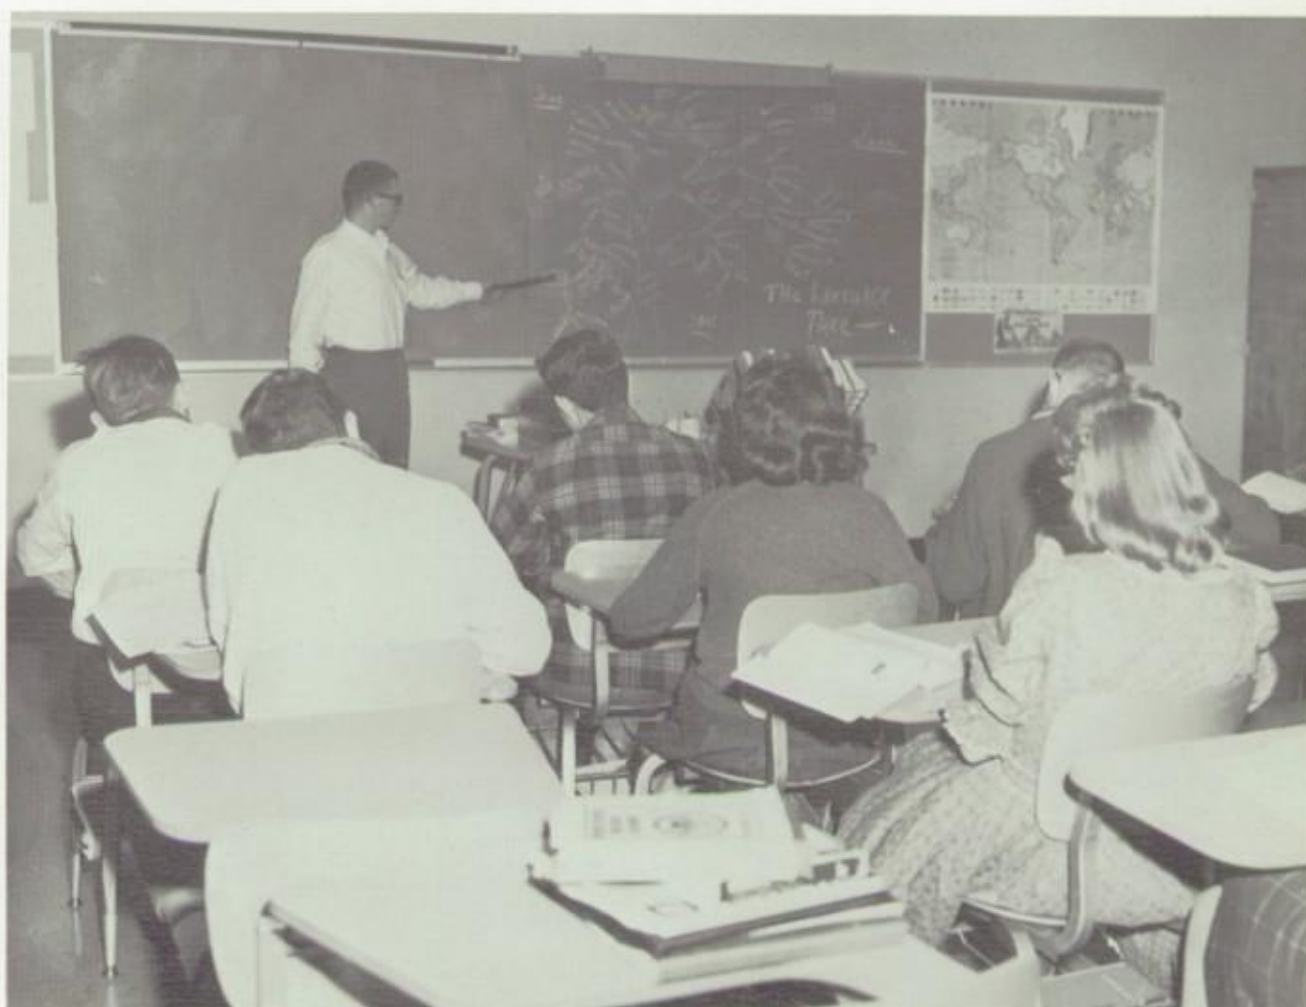

Centennial's language path led from the required English courses which consist of background in literature and composition, to the various foreign languages. First and second years of Latin, French and Spanish were all offered in addition to German which was added to the curriculum this year.

## FRENCH

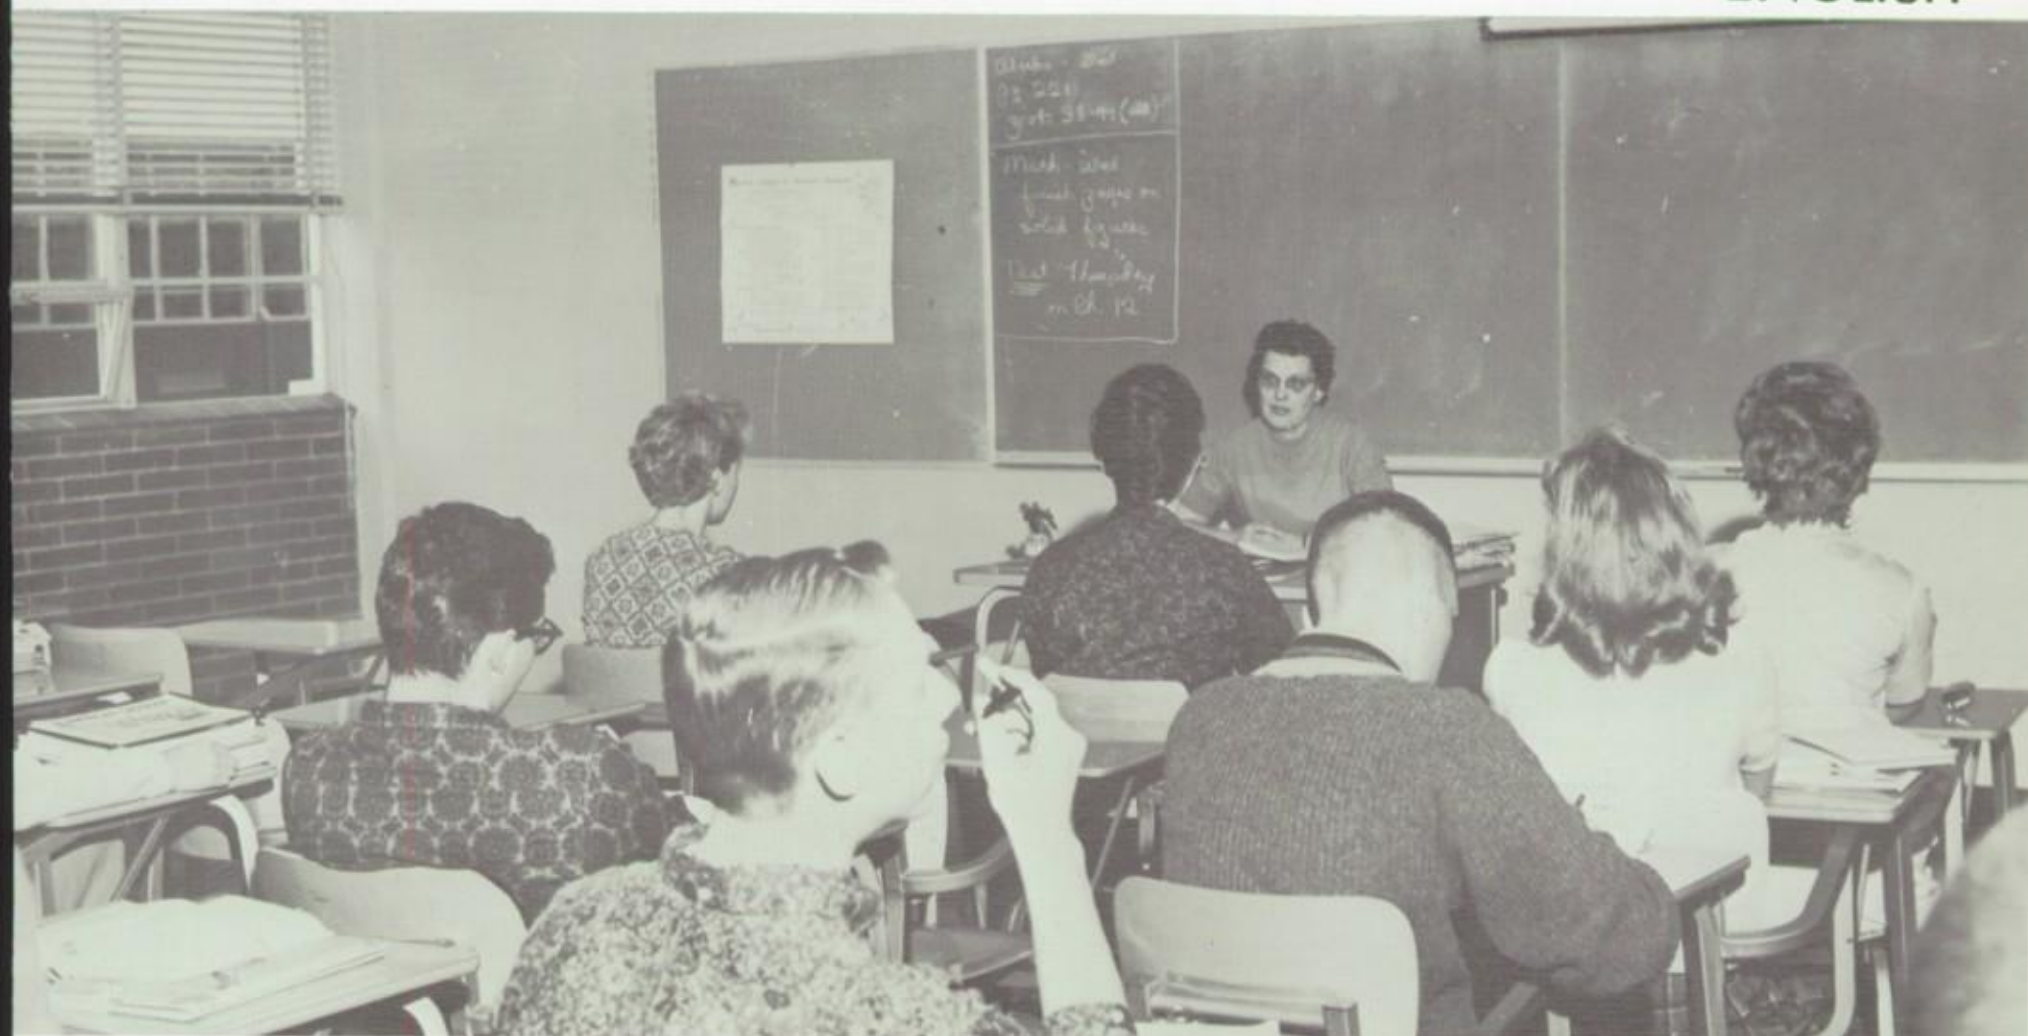

## SPANISH

"Now this word," explains Mike Schooler, "Is an important word in the Spanish word tree."

## ENGLISH

"Themes, themes and more themes until you learn how to write," explains Mrs. Kucera.

## WORLD HISTORY

"Are you sure that that's where the renaissance took place, Scott?"

## U. S. HISTORY

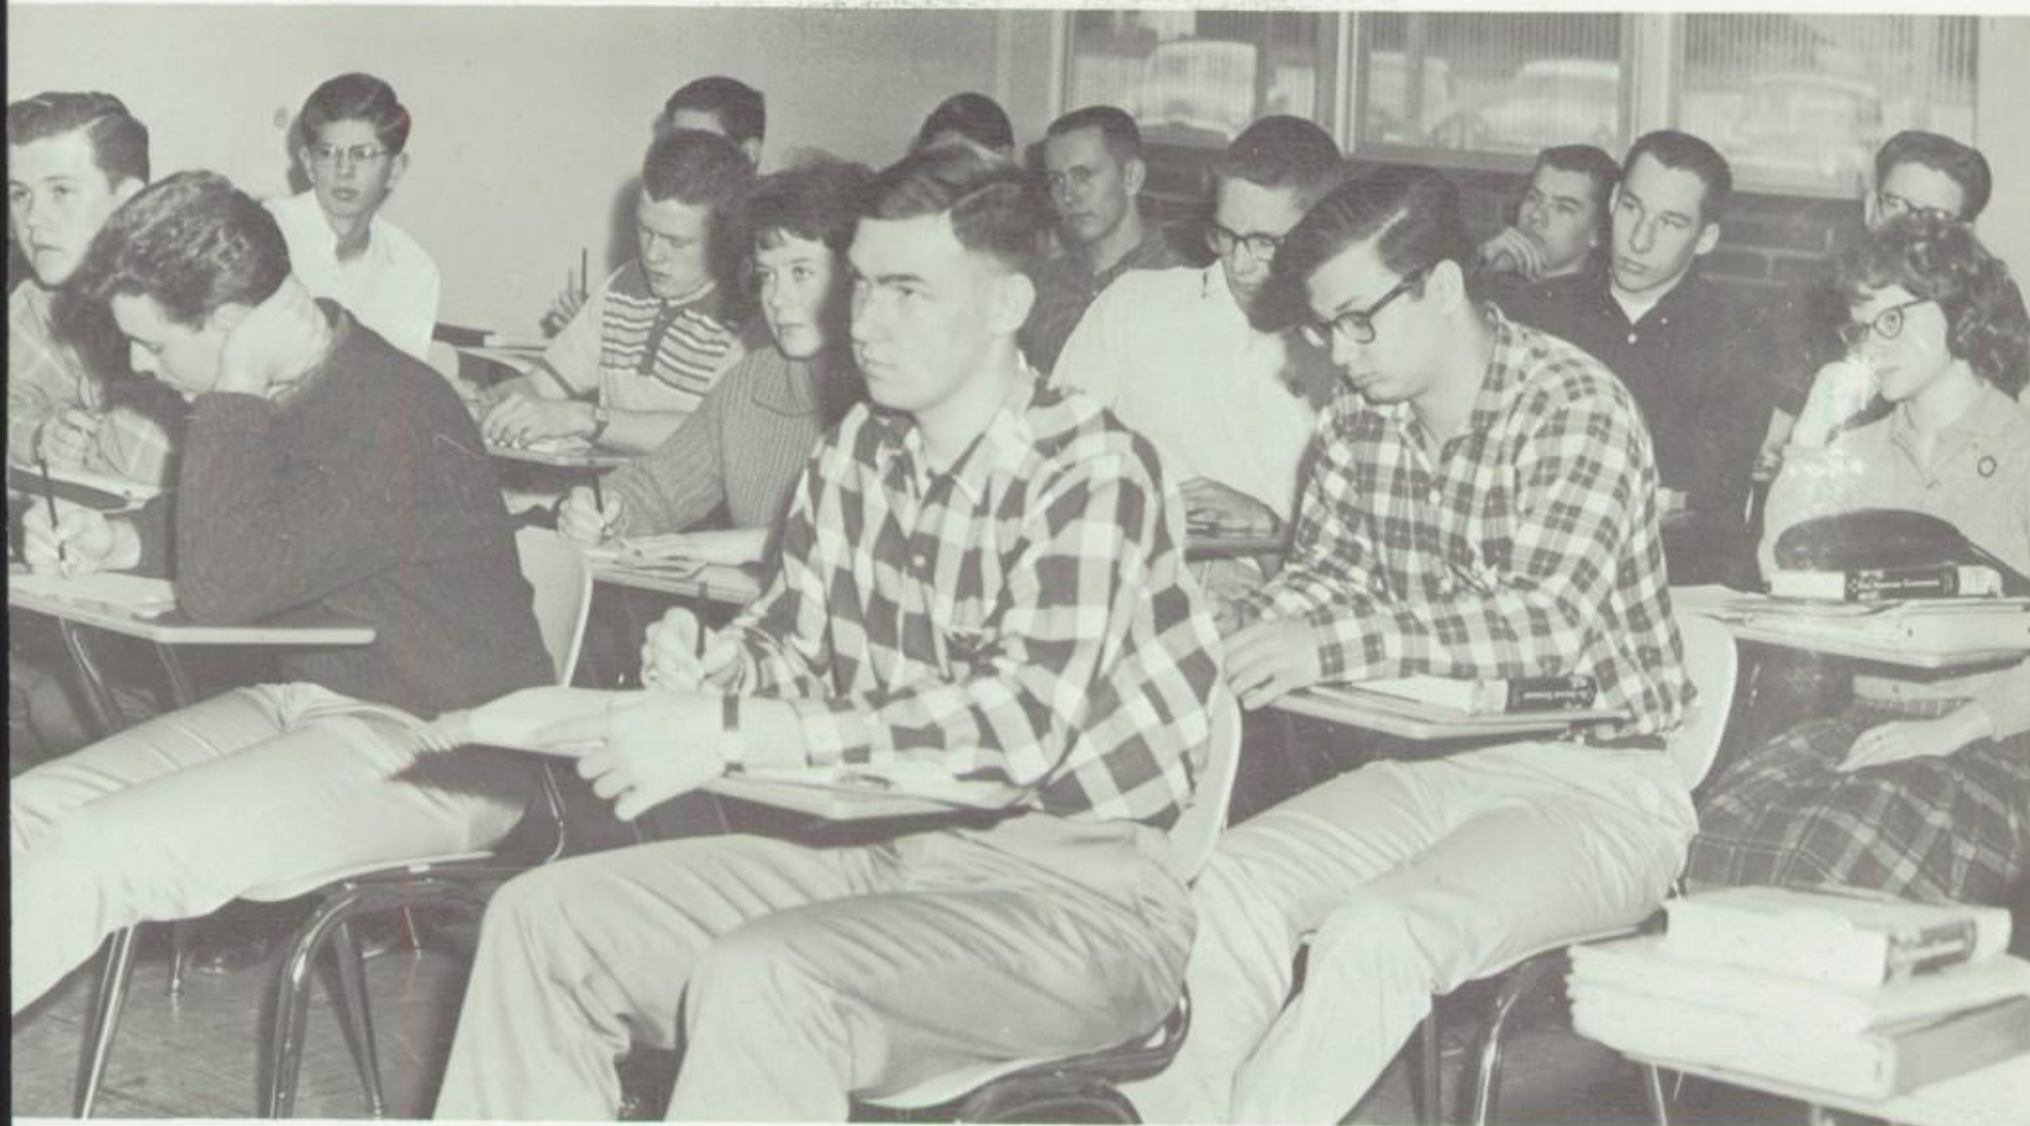

An important part of Centennial's curriculum is its social studies program. All juniors take U. S. History. This year a new course was given for which students will be given college advance placement if they make a high test score. The seniors have found their Modern Problems class, American Problems most interesting. In addition to these subjects students have the opportunity to take World Geography and World History to round out their social studies course

## SOCIAL STUDIES

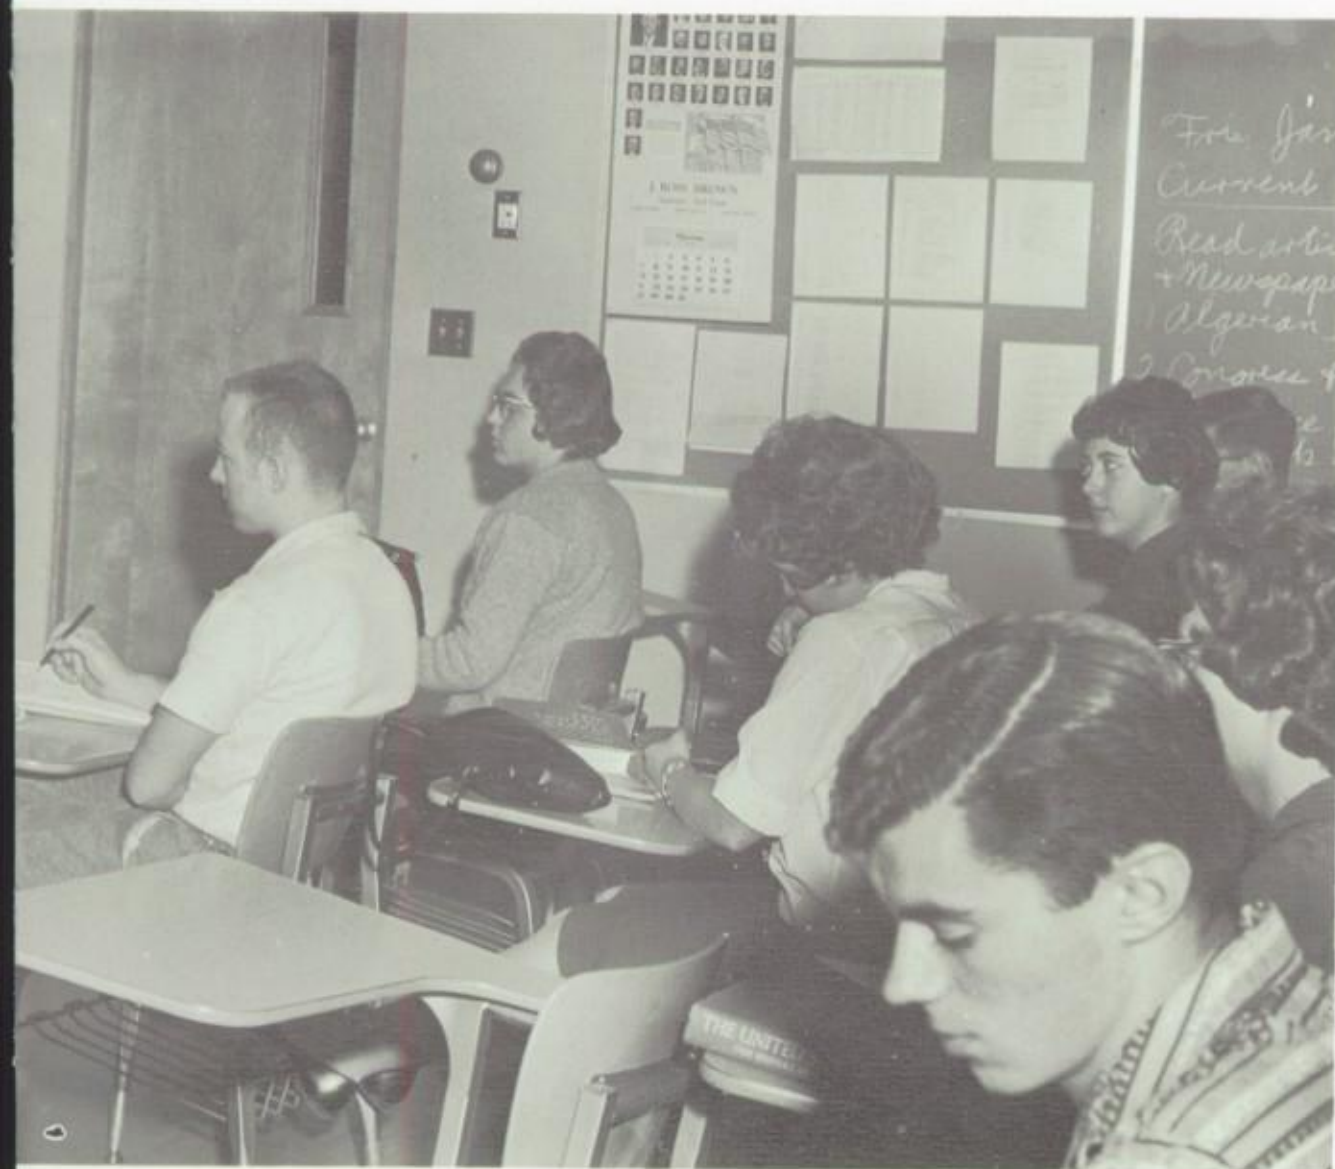

## AMERICAN PROBLEMS

Mrs. Roberts' experimental American problems class seriously listens to a lecture.

Notes are busily being taken by these U. S. History students as Mr. Sullivan presents basic information to them.

## CHORAL MUSIC

The advanced choir has enjoyed Mr. Muhle who is just completing his first year at Centennial.

The choral music department this year, under the direction of Mr. Muhle, has prospered and grown and reflected the disciplines of Mr. Lutz. New depths in singing and interpretation have made Centennial's choir one of the most outstanding in the Metro League.

MMMMMMMMMMMMMMMM "Girl's glee seems to be fun, doesn't it?"

"That's it, a C major chord!"

The three glees, freshman girls glee, boys glee and the advanced girls glee are all training grounds for applicants for advanced choir. The entire music department was preparing vocally for the musical "Brigadoon" which was presented in May.

"Now come on girls," exclaims Mr. Muhle, "I want a relaxed ah sound."

Centennial's first String Ensemble provided Centennial Students with an additional music field.

Here we see the Advanced Band in their first period rehearsal.

The Christmas concert and the bands first "all-band" concert kept them busy during the winter months. For their participation in the Oregon Music Educators District Contest, they were given "Superior" ratings in both sightreading and musicianship.

## INSTRUMENTAL MUSIC

Centennial's band won another superior rating at the band contest which is attended by many of the high schools in this surrounding area. The precision and accuracy with which the students perform is most pleasing to the discerning ear.

The Beginning Band is the training group for Centennial's highly rated Concert Band.

Much preparation is entailed in making the mock-up for our school paper— The Talon.

The editorial staff meets with their advisor Mrs. Van Cleve to plan forthcoming issues of the Talon.

# SPEECH

Terry Smith is the first speaker in the practice debate.

The direct procedure of a panel is demonstrated by one of the speech classes.

Freshman taking homemaking learn the techniques of correct sewing procedures.

## HOMEMAKING

These girls in interior decorating, a course offered to seniors, designed and built this modern furniture.

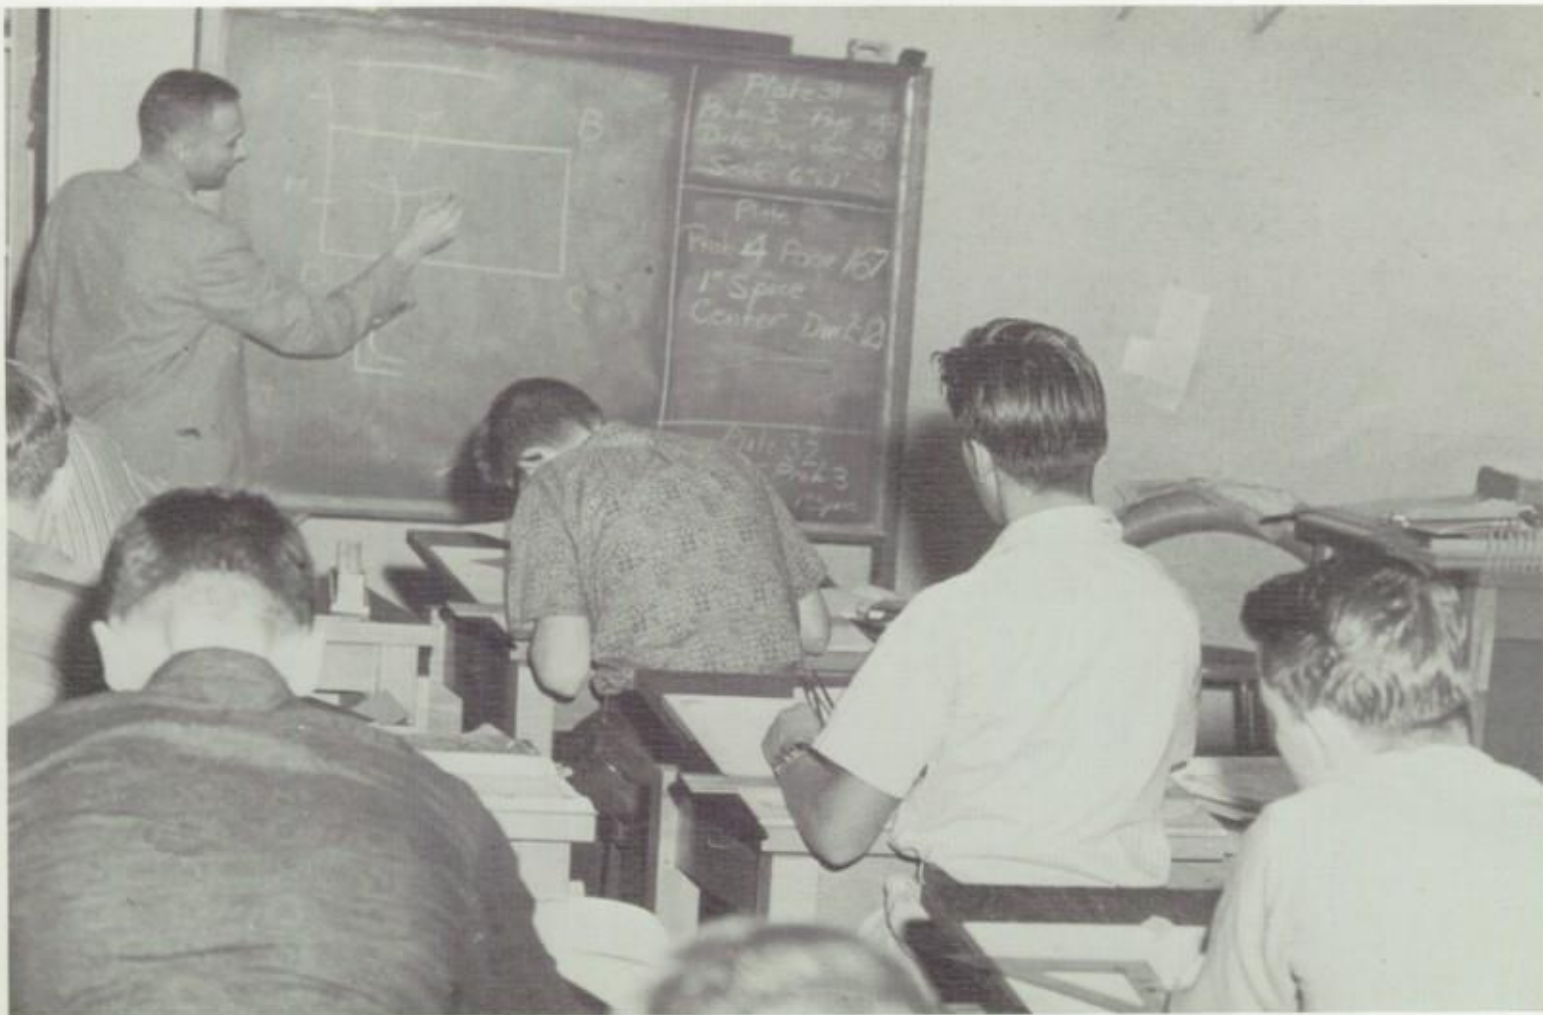

Hard at work are these freshman girls learning the culinary skills.

A worthwhile part of the senior course is a unit in home nursing.

## DRAFTING

Dexterity and precision are two requirements for successful manipulation of ideas. Students at Centennial have a number of courses in which they are able to use their creative ability in numerous situations.

## ARTS

The art classes help a student broaden his knowledge of great painters and encourage creativeness.

## CRAFTS

These courses include art, arts and crafts, which was added to the curriculum this year, and woodshop. Mechanical drawing is also offered to those students desiring the background work for many of the sciences.

## WOODSHOP

Arts and crafts is a class for the more creative students who possess original ideas and carry them through.

The students in the Wood Shop are busily working on one of their projects for the semester.

Our library offers students a chance to widen their horizon of knowledge.

Scheduling and counseling are the main duties of the Counseling staff headed by Mr. Decourcey.

## LIBRARY AND GUIDANCE

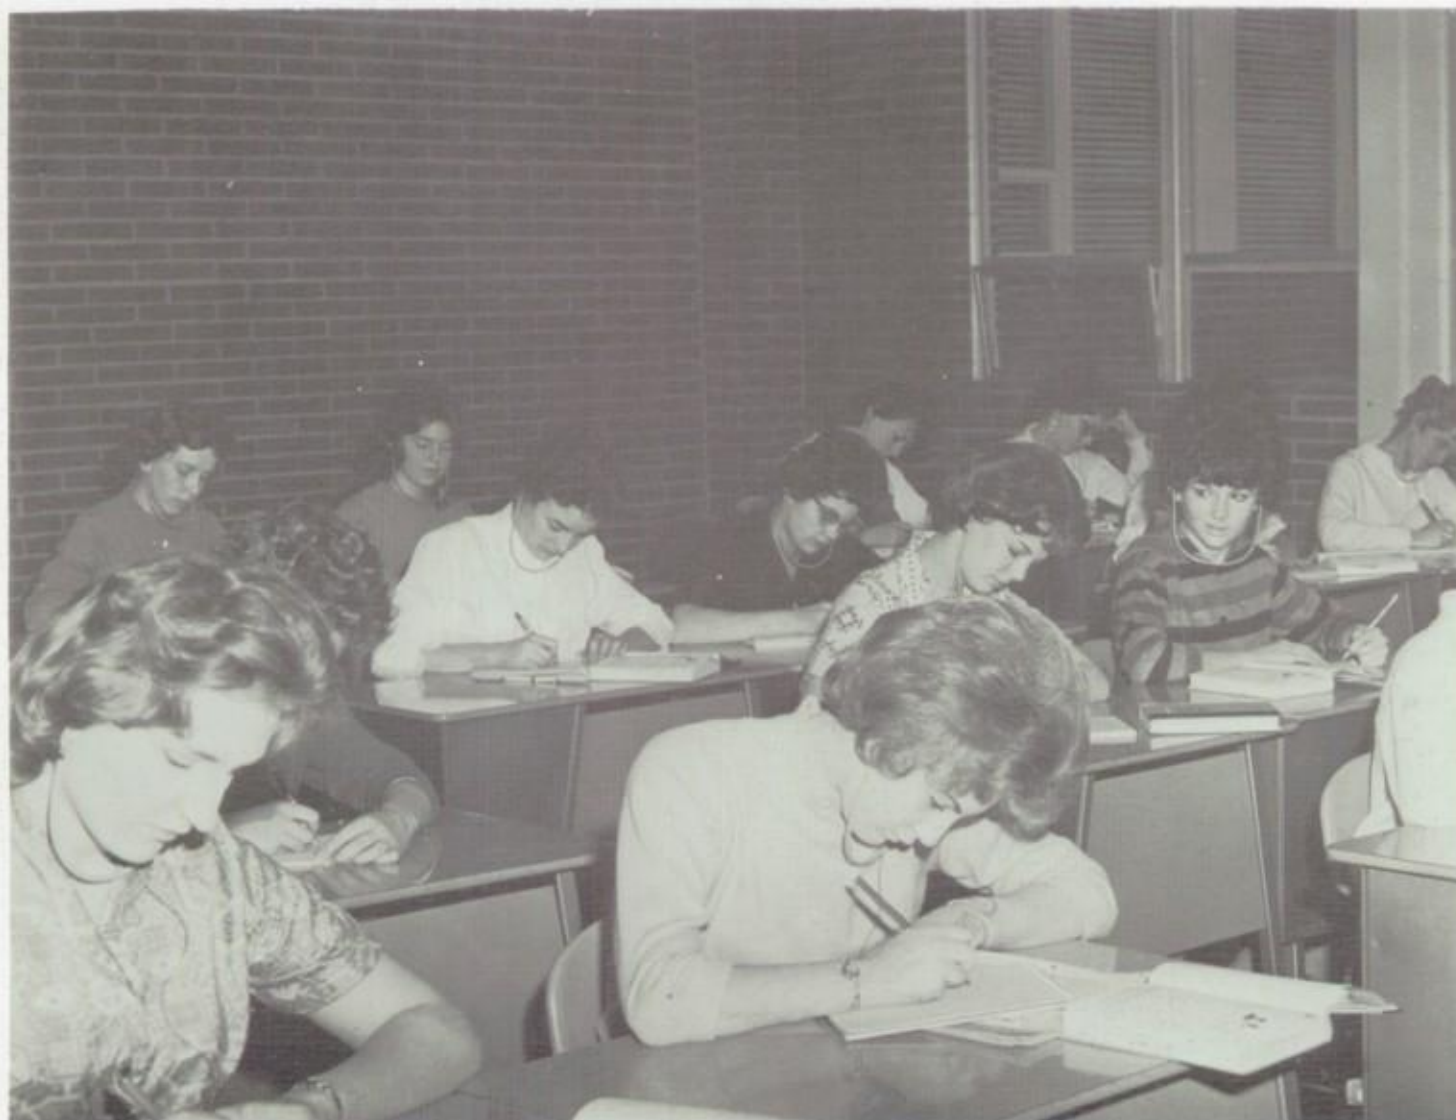

Students find a wide and varied choice of books.

Here rests some of our potential in the field of business.

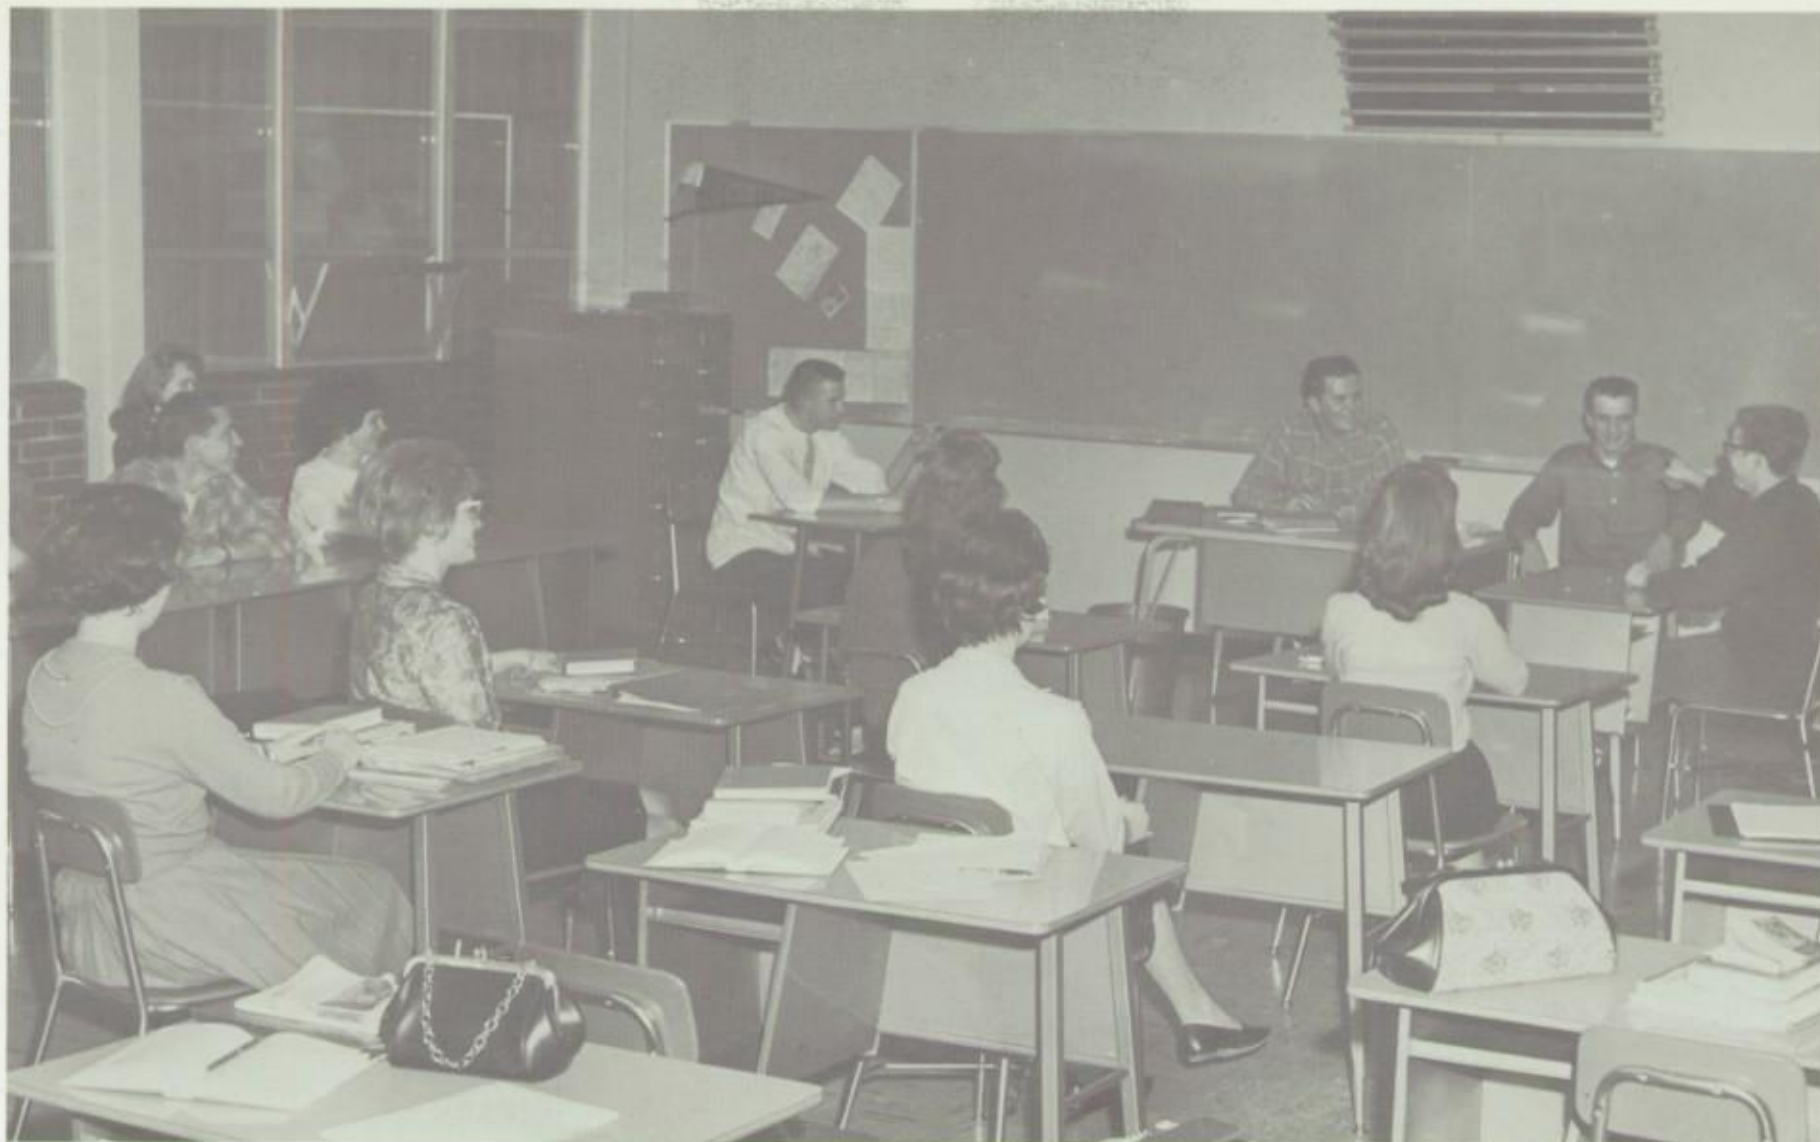

## BUSINESS

Shorthand is one of the basic steps toward a business career.

A scene from business law during a mock trial.

## EDUCATION

Mr. Doan coaches a student on the techniques of accurate bookkeeping and accounting .

HEALTH AND

PHYSICAL EDUCATION

Many sociable times were had during the P. E. unit of social and folk dancing.

Driver training includes check of reaction time, here demonstrated Mr. Schlaadt and Roger Steele.

Wrestling, an up and coming sport at Centennial is demonstrated by these P. E. students.

## CONCERT

The musical department's fall concert, Autumn Leaves, was a fraction of the beauty, in sound, yet to be produced by Mr. Muhle and the choral group taking part. The first of many performances was pleasing to the ear.

The "C"-Notes, directed by Mr. Muhle, are Pat Percival, Lynn Rossiter, Sharon Albus, Gloria Zissler, Sharon Helseth, Gail Pomeroy, Suzanne Short, Ramona Saylor, Steve Elmore, Howard Slyter, David Beech, Mike Peterson, Bob Eggiman, Jim Steek, and Ralph Yoder.

The Freshmen Boys' Glee introduced us to a new sound, that of undeveloped talent.

Howard Slyter, Mike Peterson, Don Fike, and Ralph Yoder, "The Temper Tones", were a highlight of the fall concert.

## EXCHANGE AND FOREIGN STUDENTS

Dagmar Gugg is our American Field Service Exchange Student this year. Dagmar is from Vienna, Austria and plans to attend the University of Vienna next year. She has had the experience of observing first hand the American ways of life.

Students at Centennial have often had the privilege of hearing Andrew McDonald play his bagpipes in full Scottish attire. Andrew has spent the past two years attending school here at Centennial from his native country, Scotland.

Dian Rice had the opportunity of touring Mexico this past summer with a group of students on an American Heritage Tour. They had the chance of meeting Mexican youth and using Spanish in communicating with the people they met along the way.

Sharon Helseth had the wonderful opportunity of spending last summer in Germany as our American Field Service Exchange Student. She lived with a German family in Flensburg, a small town in northern Germany about four miles from Denmark. Her experiences of observing another culture, being a part of it, and her impressions will be an unforgettable experience for her.

## SPORTS

Kramer races down the sideline for a long gain against the pursuing Mustangs.

### MUSTANGS NIP EAGLES

Centennial 0      Milwaukie 27

In the first game of the year the Eagles had trouble moving the ball against a stubborn Milwaukie defense. However, fine pass catching and running by Senior end Norm Kramer helped to keep the Eagle offense moving. The Eagles moved into Milwaukie territory several times during the evening but seemed to have trouble in holding on to the ball and lost it several times to the Mustangs. This was a problem the Eagles had to contend with the rest of the season. The Eagle defense had trouble in containing the hard running Milwaukie backs and the Mustangs went on to score a hard fought victory over the Eagle "11".

### CAVALIERS STYMIE EAGLES

Centennial 7      Clackamas 21

The Eagles almost spoiled the Cavaliers bid for a homecoming victory with a fine display of offensive power. Despite the heavy rain and muddy field the Eagles exhibited a burning desire to win and avenge their loss to Milwaukie. The Eagles received the opening kickoff and moved steadily downfield and it seemed certain they would score. Art Manning, Centennial right halfback, broke loose for many a long run and carried the ball to the Clackamas 7 yard line only to lose it on a fumble. The Cavaliers then put together a scoring march and scored halfway into the first period and once more before the half ended to take a 14 to 0 lead to the dressing room. The Cavaliers pushed over another touchdown in the third quarter before the Eagles could score. Finally the Eagles put together a scoring threat and scored in the 4th quarter. The touchdown came on a 13 yard pass from John Vawter to Art Manning.

Vawter hands off to Cule for the short yardage up the middle of the Cavalier's line.

## SPARTANS UPEND EAGLES

Centennial 0 Hillsboro 18

After losing their first two games, the Eagles were out to beat the Hillsboro Spartans who had a one and one record.

Hillsboro won the toss and elected to receive. Centennial kicked off and the ball was returned to Hillsboro's 43 yard line. Hillsboro showed a good defense and with 7:25 of the 1st period remaining, Hillsboro scored on a 5 yard run. The kick for the extra point was no good.

The second quarter saw the Centennial Eagles on the Hillsboro 37 yard line. They worked up three first downs and were on the two yard line where they fumbled, Hillsboro recovering. The quarter ended with Hillsboro still in possession of the ball.

With 6:44 of the third period left, Hillsboro scored again. The extra point again was no good. The fourth period began with the Spartans in Eagle territory. They lost the ball on the 4th down on the Eagles' 15. Two plays later Centennial fumbled and Hillsboro recovered on the Eagles' twenty yard line. With four seconds left to play the Spartans again scored. The P.A.T. failed. The game ended with the score, Eagles 0 and Hillsboro 18.

### Eagles Net Fishermen

Centennial 20 Astoria 7

On their home field Sept. 30, the Centennial Eagles were up against the Astoria Fishermen, with both teams looking for their first victory. Astoria kicked off but Centennial was unable to keep the ball for more than one down. From there, Astoria took on a steady offense until with 39 seconds left of the first quarter, they carried the ball from the one yard line for the touchdown. The P.A.T. was good.

During the second quarter, Centennial remained in possession of the ball and with 5 minutes remaining, Art Manning scored from the 4 yard line. The P.A.T. was no good. Again the Eagles capitalized on a Fisherman fumble and got the ball on the 35 yard line and again scored on a pass play to Art Manning. The extra point was good.

In the third quarter the Eagles dominated play. A 20 yard pass from John Vawter to Mike Chamberlain put them on the scoreboards again. The extra point was made on a run by Art Manning.

Both teams stiffened defense during the fourth quarter as the game ended with the first Eagle victory this season, 20-7.

The Fishermen overwhelm Chamberlain in a drive for a touchdown.

## ARCH RIVALS LUCKY

Centennial 6     Gresham 7

The Gresham Gophers were our opponents October 6, on their home field with the Eagles determined to even the score after last year's defeat.

The Eagles kicked off to the Gophers and the ball was returned to the Eagles' 33 yard line. After a Gresham fumble, the Eagles kept up a steady offense and pushed the ball to the Gresham 2 yard line, where they fumbled, Gresham recovering.

The second half saw the Eagles again in Gresham territory where they pushed the ball to the 13 yard line, only again to lose the ball on a fumble. At the half the score stood 0-0.

With a steady rain falling in the third quarter, the ball changed hands several times with no real gains to either side.

The fourth quarter began with the Gophers pushing the ball downfield to Eagles' territory. With 7:52 remaining, the first touchdown was scored by the Gophers and the extra point was good. The Eagles came back determined to score. Five minutes later, the Centennial touchdown was scored by Art Manning, but the extra point was no good. The game ended with the Gresham Gophers squeezing out a close victory over the Eagles, 7-6.

### LATE DRIVE VICTORIOUS

Centennial 6     Sunset 12

October 13, saw the Sunset Apollos on the Eagles' home field. In a hard fought battle the Apollos were the victors, 12-6.

After scoring a touchdown in the initial period, the Apollos were then on the defensive for the remainder of the game and at halftime, held a slender 6 to 0 margin.

In the second half, the Eagles tied the game on a pass completion and run by Don Fike with 4:52 left in the 4th quarter. The extra point missed. In the final 39 seconds, the Apollos fought back and scored. Final score, 12 to 6.

Fike looms out of fog for a short gain against the Beavers.

## BEAVERS OVERWHELM EAGLES

Centennial 7      Beaverton 39

On October 20, the Eagles traveled to Beaverton to tangle with the league leading Beaverton Beavers. On the fog covered field, the Eagles were trounced, 39 to 7.

The Eagles were able to hold the ball most of the first quarter, but in the second quarter, the Beavers scored three touchdowns, all on running plays. At the half, the score stood 21 to 0 in favor of the Beavers.

Again in the second half, the Beavers kept a steady attack and scored three more touchdowns. The lone Eagle touchdown came on a run by Don Fike in the 4th quarter and Lee Brooks kicked the extra point. The final score, 39 to 7.

## EAGLES SHEAR RAMS

Centennial 12      Central Catholic 0

Before a cheering Homecoming crowd on October 27, the Centennial Eagles beat the Central Catholic Rams for the second victory of the season.

From the beginning, the Eagles displayed their desire to win. In the first quarter Don Fike scored the first Eagle touchdown. Never losing possession of the ball for long the Eagles scored again with Art Manning's touchdown run.

The second half saw neither team present a serious scoring threat until the last minute when the Eagles' were on the 8 yard line, but lost the ball on downs. The game ended with the Eagles winning, perhaps the most exciting game of the season, 12 to 0.

## SCOT'S WATERWINGS VICTORIOUS

Centennial 0 David Douglas 13

Our last football game of the season was held at David Douglas against the Scots. Playing in ankle-deep water and near freezing weather, the game provided an exciting climax to the football season.

During the first quarter, the Eagles held the ball but were unable to score even though they pushed the ball to the 16 yard line. In the second quarter, the Scots pushed up steady yardage and finally scored with 10:36 of the quarter gone.

The second half saw the Scots again in control and with 6:27 of the game left, they scored but the extra point was no good. The final score stood at 13 to 0.

### Summary of Varsity Football Season

Despite injuries to key personnel throughout the season, the Eagles were able to improve over last year's record. A single touchdown meant the difference between victory and defeat in several of the Eagle games. The Eagles were comparatively strong defensively, but couldn't always put together that all important scoring punch. With the addition of strong J.V. team members, next year's team should provide Centennial with a Metro League Title contender. Individual standouts were Norm Kramer, who made the Shrine All-Star team; John Baker, Mitchell Stanley, and Scott Crawford who all received All-Star honorable mention.

Dear Jim,

It was nice while it lasted, sorry if I made you mad at me. Please forgive me.

I want to wish you everything; in years the "Best of Best wishes."

Jim, also it was real neat knowing you this year.

Jim, you're sharp & lots of good luck in your following years at C.H.S. and always with the girls too. Love ya, Warren Kramer '64.

## Autographs...

Jimmy:  
It's really been fun having you in our Biology class at our table. I'll always remember you by one word: Daphnia!

Love,  
Diane Louthan

To a nice guy and  
fine football player.  
You'll to great next  
year, Jim, you've got  
the determination you'll  
need

Yours friend,  
Hugh Moore

Jim,  
I've really had a  
lot of fun in Geometry  
class. It's too bad I didn't  
learn anything but I've  
got a real neat job  
and I'm getting pretty  
rich so maybe some  
day I'll take some  
time off and study  
Maybe we can have  
some classes together  
next year.  
Love & Luck  
Georgia

Jim,  
seems so different  
to call you Jim after  
we started calling you  
cuz. Did Mr. Welch  
give you that name as  
Sally Stab? How fun  
this summer in what  
ever you do and good  
luck.

Nore  
"64"

James  
To a real neat  
guy whom I hope  
to see a lot of next  
year in a few classes.  
Keep up the good work in  
football next fall.  
Lots of Luck  
Larry Jones

Jim,  
Well, thank heavens  
the year is over!  
I think the  
word "trilogy"  
you think of? ... Don't  
say it! ... I think  
of Dharma, frogs,  
swans, and Chameliants.  
(Especially swans. Right?)  
Anyway, it's all over now,  
so never see  
Deane Jones

Jim  
Glad to  
have you in  
Geometry. You're  
so lucky I was  
your class.  
Bob R.

James  
To a nice guy!  
It's been a lot of fun  
knowing you in Geometry.  
I won't wish you all of  
the luck in the world.  
Make the best out of  
next year.  
Lots of Luck  
Dave Allen

Jim,

Love is like something  
like a lizard  
It settles in your heart  
and nibbles at your gizzard.

Good Luck

Cal Farley

I am really not  
little I am really not  
I am with a good heart  
I think the world has  
a heart of gold  
I think the world has  
a heart of gold  
I think the world has  
a heart of gold

Dear Jim  
I hope you the  
best of luck in your new  
venture at school. Have fun  
and be happy
